Re: Church of Scientology vs. Armstrong

Dear Ms. McCabe:

This letter will serve to confirm our telephone conversation of November 5, 1986, wherein I requested that you order a copy of the deposition of the Custodian of Records for the Los Angeles Department for me. I also requested that if the records produced by the custodian are not attached to the deposition, that I be provided with copies of the same.

Additionally, I requested that the hearing date on your client's Motion for Summary Adjudication be moved from November 19, 1986 to November 17, 1986. The reason for my request is that there are two depositions set on November 19, 1986 in the case of Schomer vs. L. Ron Hubbard, which I would like to attend. You advised that you would check on this and get back to me.

Lastly, I asked that you advise me as to the status of the deposition of Dr. Margaret Singer presently set for November 11, 1986. Since I had been copied with a letter from Dr. Singer to Mr. Peterson in which Dr. Singer requested alternate dates for her deposition, it is necessary for me to know whether or not the deposition date would be changed. You advised that you would check into the matter and get back to me.

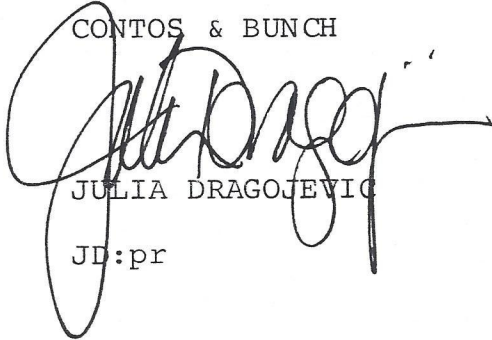

This letter will also serve to confirm our telephone conversation of November 3, 1986, wherein I requested an extension of time in which to respond to Interrogatories propounded by your client. You agreed to an extension up to and including November 10, 1986, within which to provide those responses.
